

**KATSINA STATE INSTITUTE OF TECHNOLOGY AND MANAGEMENT
ABBA MUSA RIMI WAY, RING ROAD, KATSINA, KATSINA STATE**

**EXTERNAL/ INTERNAL ADVERTISEMENT FOR VACANT ACADEMIC
STAFF POSITIONS IN KATSINA STATE INSTITUTE OF TECHNOLOGY
AND MANAGEMENT**

PREAMBLE:

Katsina State Institute of Technology and Management (KSITM) is a state-of-the-art Institution with a dual status Polytechnic and Innovation Enterprise Institution (IEI) leading to the award of National Innovation Diploma (NID) and National Diploma (ND) as approved by National Board for Technical Education (NBTE).

Following the approval of His Excellency the Governor of Katsina State, Malam Dikko Umar Radda, PhD, CON for the recruitment of additional Academic Staff in the Institute, Applications are hereby invited from suitably qualified candidates with a high level of integrity, commitment to teaching, research, excellence and passion for innovations to fill the under-listed Academic positions in the Institute.

1. SCHOOL OF TECHNOLOGY

I. Department of Library and Information Science

- a) Senior Lecturer
- b) Lecturer I
- c) Lecturer II
- d) Lecturer III

Qualifications and Experience

a. Senior Lecturer - CONPCASS 07

Candidate applying for this position must possess a Doctorate Degree in Library and Information Science from a recognized Institution, NYSC Discharge/Exemption Certificate; plus at least six (6) years teaching and research experience in an Institution of higher learning with at least three (3)

conference/seminar paper and three (3) journal article accepted for publication.

OR

Master's Degree in Library and Information Science obtained from a recognized Institution, NYSC Discharge/Exemption Certificate with at least nine (9) years of teaching and research experience in an Institution of higher learning with at least three (3) papers accepted for publication in reputable journals or two (2) meaningful chapters' contribution in standard textbook(s) plus three (3) conference/seminar paper. Registration with recognized professional body is mandatory.

b. Lecturer I - CONPCASS 06

Candidate must hold a Ph.D. in Library and Information Science obtained from a recognized Institution of higher learning, NYSC Discharge/Exemption Certificate; plus at least three (3) years of teaching/research experience in an Institution of higher learning with at least two (2) conference/seminar papers and two (2) journal article accepted for publication. **OR**

Master's Degree in Library and Information Science obtained from a recognized Institution, NYSC Discharge/Exemption Certificate with at least six (6) years of teaching /research experience in an Institution of higher learning in addition to presentation of two (2) conference/seminar papers and two (2) journal article accepted for publication. Registration with recognized professional body is mandatory.

c. Lecturer II - CONPCASS 05

Candidate must hold a PhD in Library and Information Science obtained from a recognized Institution of higher learning with NYSC Discharge/Exemption Certificate; **OR**

Master's Degree in Library and Information Science obtained from a recognized Institution, NYSC Discharge/Exemption Certificate with at least three (3) years of teaching /research experience in an Institution of higher learning in addition to presentation of two (2) conference/seminar papers or one (1) journal article accepted for publication. **OR**

Bachelor's degree not below Second Class lower (2:2) in Library and Information Science obtained from a recognized Institution, NYSC discharge/Exemption certificate with at least six (6) years relevant teaching experience in a tertiary Institution. In addition to presentation of two (2) conference/seminar papers or one (1) journal article accepted for publication. Registration with recognized professional body is mandatory.

d. Lecturer III - CONPCASS 03

A candidate must hold a Master's Degree in Library and Information Science obtained from a recognized Institution with NYSC Discharge/Exemption Certificate; **OR**

Bachelor's degree not below Second Class lower (2:2) in Library and Information Science obtained from a recognized Institution, NYSC discharge/Exemption certificate with at least three (3) years relevant teaching experience in a tertiary Institution.

II. Department of Computer Engineering

- a) Senior Lecturer
- b) Lecturer I
- c) Technologist I

Qualifications and Experience

a. Senior Lecturer - CONPCASS 07

Candidate applying for this position must possess a Doctorate Degree in Computer Engineering from a recognized Institution, NYSC Discharge/Exemption Certificate; plus at least six (6) years teaching and research experience in an Institution of higher learning with at least three (3) conference/seminar paper and three (3) journals article accepted for publication. **OR**

Master's Degree in Computer Engineering/Master's Degree in Telecommunication obtained from a recognized Institution, NYSC Discharge/Exemption Certificate with at least nine (9) years of teaching and research experience in an Institution of higher learning with at least three (3) papers accepted for publication in reputable journals or two (2) meaningful chapters' contribution in standard textbook(s) plus three (3) conference/seminar paper. Registration with recognized professional body is mandatory.

b. Lecturer I - CONPCASS 06

Candidate must hold a Ph.D. in Computer Engineering obtained from a recognized Institution of higher learning, NYSC Discharge/Exemption Certificate; plus at least three (3) years of teaching/research experience in an Institution of higher learning with at least two (2) conference/seminar papers and two (2) journals article accepted for publication. **OR**

Master's Degree in Computer Engineering/ Master's Degree in Telecommunication obtained from a recognized Institution, NYSC Discharge/Exemption Certificate with at least six (6) years of teaching /research experience in an Institution of higher learning in addition to presentation of two (2) conference/seminar papers and two (2) journals article accepted for publication. Registration with recognized professional body is mandatory.

c. Technologist I - CONPCASS 03

A candidate must hold a Higher National Diploma (HND) in Computer Engineering at a credit level from a recognized Institution plus at least three (3) years post qualification cognate experience.

III. Department of Computer Science

- a. Senior Lecturer
- b. Lecturer I
- c. Lecturer II
- d. Lecturer III
- e. Senior Instructor

Qualifications and Experience

a. Senior Lecturer - CONPCASS 07

Candidate applying for this position must possessed a Doctorate Degree in Computer Science or Computer Software Engineering from a recognized Institution, NYSC Discharge/Exemption Certificate; plus at least six (6) years teaching and research experience in an Institution of higher learning with at least three (3) conference/seminar paper and three (3) journals article accepted for publication. **OR**

Master's Degree in Computer Science or Computer Software Engineering obtained from a recognized Institution, NYSC Discharge/Exemption

Certificate with at least nine (9) years of teaching and research experience in an Institution of higher learning with at least three (3) papers accepted for publication in reputable journals or two (2) meaningful chapters' contribution in standard textbook(s) plus three (3) conference/seminar paper. Registration with recognized professional body is mandatory

b. Lecturer I - CONPCASS 06

Candidate must hold a Ph.D. in Computer Science or Computer Software Engineering obtained from a recognized Institution of higher learning, NYSC Discharge/Exemption Certificate; plus at least three (3) years of teaching/research experience in an Institution of higher learning with at least two (2) conference/seminar papers and two (2) journal article accepted for publication. **OR**

Master's Degree in Computer Science or Computer Software Engineering obtained from a recognized Institution, NYSC Discharge/Exemption Certificate with at least six (6) years of teaching /research experience in an Institution of higher learning in addition to presentation of two (2) conference/seminar papers and two (2) journals article accepted for publication. Registration with recognized professional body is mandatory

c. Lecturer II - CONPCASS 05

Candidate must hold a Ph.D. in Computer Science or Computer Software Engineering obtained from a recognized Institution of higher learning with NYSC Discharge/Exemption Certificate; **OR**

Master's Degree in Computer Science obtained from a recognized Institution, NYSC Discharge/Exemption Certificate with at least three (3) years of teaching /research experience in an Institution of higher learning in addition to presentation of two (2) conference/seminar papers or one (1) journal article accepted for publication. Registration with recognized professional body is mandatory. **OR**

Bachelor's degree not below Second Class lower (2:2) in Computer Science or Computer Software Engineering obtained from a recognized Institution, NYSC discharge/Exemption certificate with at least six (6) years relevant teaching experience in a tertiary Institution. In addition to presentation of two (2) conference/seminar papers or one (1) journal article accepted for publication. Registration with recognized professional body is mandatory.

d. Lecturer III - CONPCASS 03

A candidate must hold a Master's Degree in Computer Science or Computer Software Engineering obtained from a recognized Institution with NYSC Discharge/Exemption Certificate; **OR**

Bachelor's degree not below Second Class lower (2:2) in Computer Science or Computer Software Engineering obtained from a recognized Institution, NYSC discharge/Exemption certificate with at least three (3) years relevant teaching experience in a tertiary Institution.

e. Senior Instructor - CONPCASS 03

A candidate must hold a Higher National Diploma (HND) in Computer Science at a minimum of credit level obtained from a recognized Institution, NYSC Discharge/Exemption Certificate with at least six (6) years of teaching in an Institution of higher learning or industrial work experience. In addition to one (1) publication in journal or two (2) papers presentation.

IV. Department of Electrical Engineering

- a. Senior Lecturer
- b. Lecturer I
- c. Lecturer II
- d. Lecturer III

Qualifications and Experience

a. Senior Lecturer - CONPCASS 07

Candidate applying for this position must possessed a Doctorate Degree in Electrical Engineering from a recognized Institution, NYSC Discharge/Exemption Certificate; plus at least six (6) years teaching and research experience in an Institution of higher learning with at least three (3) conference/seminar paper and three (3) journal article accepted for publication.

OR

Master's Degree in Electrical Engineering obtained from a recognized Institution, NYSC Discharge/Exemption Certificate with at least nine (9) years of teaching and research experience in an Institution of higher learning with at

least three (3) papers accepted for publication in reputable journals or two (2) meaningful chapters' contribution in standard textbook(s) plus three (3) conference/seminar paper. Registration with recognized professional body is mandatory.

b. Lecturer I - CONPCASS 06

Candidate with Ph.D. in Electrical Engineering obtained from a recognized Institution of higher learning, NYSC Discharge/Exemption Certificate; plus at least three (3) years of teaching/research experience in an Institution of higher learning with at least two (2) conference/seminar papers and two (2) journal article accepted for publication. **OR**

Candidate must have Master's Degree in Electrical Engineering obtained from a recognized Institution, NYSC Discharge/Exemption Certificate with at least six (6) years of teaching /research experience in an Institution of higher learning in addition to presentation of two (2) conference/seminar papers and two (2) journal article accepted for publication. Registration with recognized professional body is mandatory.

c. Lecturer II - CONPCASS 05

Candidate must hold a PhD in Electrical Engineering obtained from a recognized Institution of higher learning with NYSC Discharge/Exemption Certificate; **OR**

Master's Degree in Electrical Engineering obtained from a recognized Institution, NYSC Discharge/Exemption Certificate with at least three (3) years of teaching /research experience in an Institution of higher learning in addition to presentation of two (2) conference/seminar papers or one (1) journal article accepted for publication. **OR**

Bachelor's degree not below Second Class lower (2:2) in Electrical Engineering obtained from a recognized Institution, NYSC discharge/Exemption certificate with at least six (6) years relevant teaching experience in a tertiary Institution. In addition to presentation of two (2) conference/seminar papers or one (1) journal article accepted for publication. Registration with recognized professional body is mandatory.

d. Lecturer III - CONPCASS 03

A candidate must hold a Master's Degree in Electrical Engineering obtained from a recognized Institution with NYSC Discharge/Exemption Certificate; **OR**

Bachelor's degree not below Second Class lower (2:2) Electrical Engineering obtained from a recognized Institution, NYSC discharge/Exemption certificate with at least three (3) years relevant teaching experience in a tertiary Institution.

2. SCHOOL OF MANAGEMENT

I. Department of Accountancy

- a. Senior Lecturer
- b. Lecturer I
- c. Lecturer II
- d. Lecturer III

Qualifications and Experience

a. Senior Lecturer - CONPCASS 07

Candidate applying for this position must possess a PhD in Accountancy from a recognized Institution, NYSC Discharge/Exemption Certificate; plus at least six (6) years teaching and research experience in an Institution of higher learning with at least three (3) conference/seminar paper and three (3) journal article accepted for publication. **OR**

Master's Degree in Accountancy obtained from a recognized Institution, NYSC Discharge/Exemption Certificate with at least nine (9) years of teaching and research experience in an Institution of higher learning with at least three (3) papers accepted for publication in reputable journals or two (2) meaningful chapters' contribution in standard textbook(s) plus three (3) conference/seminar paper. Registration with recognized professional body is mandatory.

b. Lecturer I - CONPCASS 06

Candidate must hold a PhD in Accountancy obtained from a recognized Institution of higher learning, NYSC Discharge/Exemption Certificate; plus at least three (3) years of teaching/research experience in an Institution of higher

learning with at least two (2) conference/seminar papers and two (2) journal article accepted for publication. **OR**

Master's Degree in Accountancy obtained from a recognized Institution, NYSC Discharge/Exemption Certificate with at least six (6) years of teaching /research experience in an Institution of higher learning in addition to presentation of two (2) conference/seminar papers and two (2) journal article accepted for publication. Registration with recognized professional body is mandatory.

c. Lecturer II - CONPCASS 05

Candidate must hold a PhD in Accountancy obtained from a recognized Institution of higher learning with NYSC Discharge/Exemption Certificate; **OR**

Master's Degree in Accountancy obtained from a recognized Institution, NYSC Discharge/Exemption Certificate with at least three (3) years of teaching /research experience in an Institution of higher learning in addition to presentation of two (2) conference/seminar papers or one (1) journal article accepted for publication and a score of minimum of 'good' grade/remark in the teaching evaluation. **OR**

Bachelor's degree not below Second Class lower (2:2) in Accountancy obtained from a recognized Institution, NYSC discharge/Exemption certificate with at least six (6) years relevant teaching experience in a tertiary Institution. In addition to presentation of two (2) conference/seminar papers or one (1) journal article accepted for publication. Registration with recognized professional body is mandatory.

d. Lecturer III - CONPCASS 03

A candidate must hold a Master's Degree in Accountancy, Banking and Finance obtained from a recognized Institution with NYSC Discharge/Exemption Certificate; **OR**

Bachelor's degree not below Second Class lower (2:2) in Accounting/Banking and Finance obtained from a recognized Institution, NYSC discharge/Exemption certificate with at least three (3) years relevant teaching experience in a tertiary Institution.

e. Senior Instructor - CONPCASS 03

A holder of Higher National Diploma in Accountancy at a minimum of credit level obtained from a recognized Institution of higher learning NYSC Discharge/Exemption Certificate with at least six (6) years of teaching in an Institution of higher learning or industrial work experience. In addition to one (1) publication in journal or two (2) paper presentation.

3. GENERAL STUDIES DEPARTMENT

- a. Lecturer I
- b. Lecturer I
- c. Lecturer II
- d. Lecturer II
- e. Lecturer II

a. Lecturer I - CONPCASS 06

Candidate must hold a PhD in Mechanical Engineering obtained from a recognized Institution of higher learning, NYSC Discharge/Exemption Certificate; plus at least three (3) years of teaching/research experience in an Institution of higher learning with at least two (2) conference/seminar papers and two (2) journal article accepted for publication. **OR**

Master's Degree in Mechanical Engineering obtained from a recognized Institution, NYSC Discharge/Exemption Certificate with at least six (6) years of teaching /research experience in an Institution of higher learning in addition to presentation of two (2) conference/seminar papers and two (2) journal article accepted for publication. Registration with recognized professional body is mandatory.

b. Lecturer I - CONPCASS 06

Candidate should hold a PhD in Education (Psychology/Sociology) or Peace and Conflict Resolution obtained from a recognized Institution of higher learning, NYSC Discharge/Exemption Certificate; plus at least three (3) years of teaching/research experience in an Institution of higher learning with at least two (2) conference/seminar papers and two (2) journal article accepted for publication. **OR**

Master's Degree in Education (Psychology /Sociology) or Peace and Conflict Resolution obtained from a recognized Institution, NYSC Discharge/Exemption Certificate with at least six (6) years of teaching /research experience in an Institution of higher learning in addition to presentation of two (2) conference/seminar papers and two (2) journal article accepted for publication. Registration with recognized professional body is mandatory.

c. Lecturer II - CONPCASS - 05

Candidate should hold a PhD in Mathematics obtained from a recognized Institution of higher learning with NYSC Discharge/Exemption Certificate; **OR**

Master's Degree in Mathematics obtained from a recognized Institution, NYSC Discharge/Exemption Certificate with at least three (3) years of teaching /research experience in an Institution of higher learning in addition to presentation of two (2) conference/seminar papers or one (1) journal article accepted for publication. **OR**

Bachelor's degree not below Second Class lower (2:2) in Mathematics obtained from a recognized Institution, NYSC discharge/Exemption certificate with at least six (6) years relevant teaching experience in a tertiary Institution. In addition to presentation of two (2) conference/seminar papers or one (1) journal article accepted for publication. Registration with recognized professional body is mandatory.

d. Lecturer II - CONPCASS - 05

Candidate should hold a PhD in Entrepreneurship or Business Administration obtained from a recognized Institution of higher learning with NYSC Discharge/Exemption Certificate; **OR**

Master's Degree in Entrepreneurship or Business Administration obtained from a recognized Institution, NYSC Discharge/Exemption Certificate with at least three (3) years of teaching /research experience in an Institution of higher learning in addition to presentation of two (2) conference/seminar papers or one (1) journal article accepted for publication. **OR**

Bachelor's degree not below Second Class lower (2:2) in Entrepreneurship or Business Administration obtained from a recognized Institution, NYSC discharge/Exemption certificate with at least six (6) years relevant teaching experience in a tertiary Institution. In addition to presentation of two (2) conference/seminar papers or one (1) journal article accepted for publication. Registration with recognized professional body is mandatory.

e. Lecturer II - CONPCASS - 05

Candidate should hold a PhD in law obtained from a recognized Institution of higher learning with NYSC Discharge/Exemption Certificate; **OR**

Master's Degree in law obtained from a recognized Institution, NYSC Discharge/Exemption Certificate with at least three (3) years of teaching /research experience in an Institution of higher learning in addition to presentation of two (2) conference/seminar papers or one (1) journal article accepted for publication. **OR**

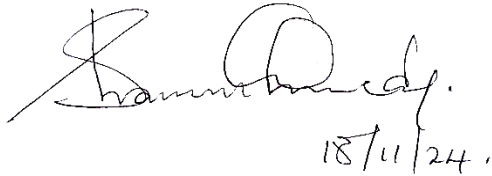

Bachelor's degree not below Second Class lower (2:2) in Law obtained from a recognized Institution, NYSC discharge/Exemption certificate with at least six (6) years relevant teaching experience in a tertiary Institution. In addition to presentation of two (2) conference/seminar papers or one (1) journal article accepted for publication. Registration with recognized professional body is mandatory.

METHOD OF APPLICATION

Interested applicants are to visit the institute website <https://www.ksitm.edu.ng/> and apply through this link: <https://www.recruitment.ksitm.edu.ng>.

Application opens on 18th November, 2024.

Signed,

18/11/24.
